SETTING THE STANDARD

Over 30 Years of Manufacturing Innovation and Custom Design

Standard Metal Hardware Manufacturing Ltd. is a leading manufacturer of commercial and custom architectural door hardware in North America. Since 1989, we have been manufacturing from our facility in Toronto, Canada, committed to setting the standard for innovation and design.

We work closely with architects and designers around the world to create some of the most intricate and visually appealing custom architectural door hardware products using a variety of materials, styles and finishes. We supply a network of distributors across North America with an extensive product line including door pulls, grab bars, kick plates, door guards, door stops, patch locks, bolts, latches and more.

Our custom manufacturing is done in-house and is our way of controlling our production to guarantee that the products meet the highest level of quality and craftsmanship. Our products have been used on thousands of recognized building projects including hotels, airports, hospitals, schools, retail, office and other institutional buildings.

It is our vision to deliver door hardware solutions that enhance the appearance, security and value of every building project. Share your vision with us and we will help you bring it to life.
